

W&P Novices Fun 6 Bell Striking Competition and Training Event at Cheriton (SO24 0PY). On Saturday 21st September PM

This year we are planning to run an event to benefit the Guild's learners who have not taken part in a striking competition at Guild level and are looking for help and support to boost their ability and confidence.

You can enter as a team of 6 ringers, or as an individual and we will assign you to a team. Please remember that in the spirit of the competition we are NOT expecting a team of experienced ringers to apply!

We will be limiting the event to 36 participants so please apply early. The competition will be Rounds and Call Changes.

Event Programme

15.00 – 16.00 – you meet at a designated tower for a practice session with your team mentor, provided by the organisers.

16.30 – 17.30 – Tea and an opportunity to chat with fellow competitors.

17.30 – 19.30 approx – Fun Striking Competition with positive comments from friendly judges.

To be eligible for this event you must:

- Have not taken part in a Guild level striking competition.
- Be competent to ring a bell unaided in Rounds and have some experience with call changes.

There will be a charge of £5 per participant, which will include donations to towers and the cost of tea. Questions to petejordan.wp@talktalk.net
